WASHINGTON, D.C. 20505

IC/83/3486

3 October 1983

MEMORANDUM FOR: Director of Central Intelligence

VIA: Deputy Director of Central Intelligence

FROM:

Deputy Executive Secretary

STAT

SUBJECT: Control and Classification of DCI Directive Series

REFERENCE: Chairman, NFIB Memorandum dated 1 September 1983,
Same Subject

1. Action Requested: That you consider the attached request from the Chairman, SECOM, to exempt from classification DCID 1/14, "Minimum Personnel Security Standards and Procedures Governing Eligibility for Access to Sensitive Compartmented Information".

2. Background: This request seeks a single exception from your instruction of 1 September 1983 that all DCIDs are to be controlled as SECRET. Your instruction is in consonance with the provisions of Executive Order 12356 and recognizes the fact that collectively, if not individually in all cases, the DCID series alludes to intelligence sources and methods. The overall control of SECRET is, thus, warranted. Nonetheless, the points made in  memorandum (attached) regarding DCID 1/14 specifically indicate reasonable justification for his request.

STAT

3. Recommendation: That you approve the exception of DCID 1/14 from classification.
